

Stoke Mandeville Combined School

Caring, Inspiring and Achieving Together

Weekly Update Thursday 1st April 2021

COVID Easing of Restrictions

As we move forward with the Government's road map of guidance to ease restrictions, we intend after Easter to move towards a more normal playtime and lunchtime routine as we will be able to use the field space as well as the playground. This means that Key Stage 1 will play together, as will Year 3 & 4 and Years 5 & 6. As we start to (cautiously) mix with our families and friends we hope that we will see easier days ahead.

Chartwells Meals

As our lunchtime structure returns to a more normal routine we will be re-introducing the hot meal provision from Chartwells. This will take effect from Monday 19th April and the new menus including hot meal options are available on the Parentpay website. Any future orders have been removed and so if you had previously placed an order this will need to be done again. The deadline for ordering meals from Chartwells for week commencing 19th April is 9pm on Tuesday 13th April.

Homework

We will not be setting any homework over the Easter holidays but please encourage your child to continue to keep up with their reading.

Summer Uniform

Children are welcome to wear summer uniform from the 19th April.

Friends

Thank you to Friends for treating the children today to an Easter treat and for organising the Easter hunt and colouring competitions for children to enjoy over the holidays.

Well Wishes

All that remains is to wish you a restful and safe Easter.

Staff Vacancies

We are currently recruiting for a Teaching Assistant – details of the role are available on our website and we would welcome applications from our school community.
