Morning and After School Club

Wraparound care is provided via a Morning Activity Club (MAC) which is available Monday to Friday from 7.55am and After School Club (ASC) which runs Monday to Friday from 3.20pm until 5.20pm.

The Morning Activity Club costs £4.00 per session and the After School Club costs £8.00 per session.

Booking for these sessions is opened to current users first and currently has a limit of 30 children. Bookings are taken a half term in advance and open two weeks before the end of each half term. A waiting list operates for parents wishing to use this facility.

Children starting in Reception will be able to apply for a place to attend MAC and ASC once we have your completed registration documents. Booking forms will be issued to those parents who have registered an interest in wraparound care to the school office. Google forms will be sent to these parents on the 10^h of July.

If you require wraparound care for your child and have not already registered an interest to the School Office, please do so before the Friday 7th July.

Any Reception children being successful in obtaining a place will be eligible to start wraparound care from their first full week at school onwards (dates to be confirmed in due course).

Please be advised that your booking request cannot be processed until your child starts school in September, however you will be notified before the Summer Break if your child has received a place in the sessions you are requiring.
