## Year 6 Activity Week – 24<sup>th</sup> – 28<sup>th</sup> May 2021

Dear Parents and Carers,

The Year 6 activity week is fast approaching and we are writing to you to share further details and the proposed timetable.

Children will need to wear tracksuit trousers every day, their PE T-shirt and either their school jumper or their Leavers' Hoodie. They will also need a waterproof coat and sensible walking shoes (trainers are ideal). If the weather is sunny, please apply sun cream before coming to school and provide a named sun hat.

As you can see from the timetable below, we are proposing to travel by train into Aylesbury on two of the days and by minibus to Wendover on one of the days. On the Friday, weather permitting, we are proposing to walk to Eskdale park for a day of activities. We will also have the opportunity to have popcorn, drinks (not fizzy) and snacks at the Odeon cinema on Wednesday. This has already been paid for. If you are concerned about your child's food allergies then please provide a small snack for this day.

Every morning, children will need to arrive at school as usual and they will need a packed lunch with them every day. A small rucksack would be useful to carry their lunch. Children who require inhalers will also need to have these on them for the day. On Tuesday we will have the opportunity to visit The Works in Aylesbury for a take away ice-cream. They will need to have pocket money to buy this on Tuesday if you would like them to take part in this (a maximum of £5 for an ice-cream and drink).

On Monday, please could the children bring a change of clothes in case the weather is wet as we will still be going outside for some of the day.

Proposed Timetable:
