

Dear Parents,

Hello from all of us at Innovate, we're delighted to be running the service at Stoke Mandeville Primary School and we can't wait to get started!

We'll be up and running from Monday **3rd September 2024**; our aim, along with the School, is to provide an exceptional catering experience and to become a valued part of your fantastic community.

Food wise, we're excited to announce that we'll be providing:

- > Nutritious daily hot main meals
- > Plenty of variety with our three week menu
- > A menu that fully meets the Government's Nutritional Standards
- > Local, fresh and seasonal ingredients
- > Exciting theme days

What we're all about

Freshly prepared food with exciting menus that our customers love to eat. It's that simple. We like to serve firm favourites while also introducing some exciting twists and dishes so that the children can explore new things and broaden their culinary horizons.

Once you've tried our service, let us know what you think. Drop us a line on the on primary@impactfood.co.uk, we're always happy to hear your feedback on our service.
